Thank you, Eric.

Is there a specific name for the conference room we will be using?

Thank you,
Jen Woronets ©

Jennifer, I have reserved our conference room here at EPA for the November 18th QEAFATE Model meeting. We have a projector, a screen, a conference phone, a wall mounted HD TV and a hardline internet connection so we should be set. Our office is located in the Fox Tower, 805 SW Broadway, Suite 500.

Eric

	Coordination of QEAFATE model presentation meeting at EPA

Hi Eric,

Can you please check the availability of a conference room at EPA for the QEAFATE model presentation on the afternoon of Wednesday, November 18? We will need a projector, screen (or blank wall) and a hard line internet connection to run the web meeting. Please note that we will bring our own lap top to run the presentation and need to verify that an individual outside of EPA can use the wireless.

If there is a room available then we can move the meeting from the airport to EPA.

Thank you,
Jen Woronets J
